

Game prototype feedback form

Thanks for play testing our game prototype! To help us with our development, please answer these questions. These will help provide us both data and feedback to improve our game for the next version.

Thanks again!

Survey information

A couple questions to help with our data handling.

1. When are / did you playtest(ing) the game? *

2. What version of the game did you play?

*Please ask someone from the team if you are unsure. **

3. How should we refer to you?

We may look to quote some of the feedback we get later in our development process. If you are happy to share some way we can refer to you if we want to quote some of your feedback, please let us know how here.
